- PowerTest will again incorporate a "passport" where attendees must obtain a sticker from each booth visited to be included in the end-of-day drawing for a cash prize of \$500. (*Stickers will be provided in your on-site exhibitor kit.*)
- Exhibitors donating a prize should draw a winning name and turn it in to the NETA booth, at the front entrance, **by 3:45 pm**. All winning names will be posted and announced between 4:00-4:30 pm. For all prizes, the recipient must be present to win.
- Winners will be directed to your booth to claim their prize -- creating one more opportunity to prospect.
- A listing of your company name and the door prize item(s) will be promoted in the conference materials provided to each attendee.
- NETA will supply all exhibitors with forms for those attendees who do not bring business cards with them.

**Plan for your door prizes to be fun and memorable!**

*The prize(s) do not necessarily need to be an item specifically related to the industry. People tend to enjoy creative gift certificates, baskets of "goodies", leathermans are popular, and of course we have had a ipod as a prize -- that goes a long way in making an impression!*
