Big Opportunities and Big Exposure

Join us at the Fort Worth Convention Center

Russell up old friends and lasso a herd of new prospects! You're invited to join the largest group of electrical testing professionals in the industry at the PowerTest 2012 Tradeshow.

Over 100 exhibitors will gather at the Fort Worth Convention Center, directly across from the Omni Fort Worth Hotel. The Convention Center provides a unique open and engaging atmosphere in which to promote your company, present your products and services, and meet with customers.

Why Exhibit with NETA

- ★ **Target Audience** — NETA hosts the only conference targeted directly to the electrical testing industry.
- ★ **Premium Time** — No competing events or concurrent sessions. No standing around waiting for your window of opportunity — four hours of prime time with attendees!
- ★ **Leads** — Key industry players on both sides of the floor. The best-of-the-best in exhibitors and an attendance goldmine of business development prospects.
 - Improve awareness of your organization.
 - Create new leads.
 - Establish or strengthen brands.
 - Launch new products.
 - Attract potential clients.
 - Strengthen and renew relationships with existing contacts/customers.
 - Meet with existing and potential suppliers.
 - Launch new concepts, products, and services through the New Product Forum.
 - Provide opportunities for feedback and test public opinion.

Exhibit Details

- ★ Exhibitors are permitted to sell merchandise and services in the exhibit hall. Employment recruiting techniques and discussion of employment opportunities are expressly prohibited. Any violations will subject the exhibitor to immediate removal from the exhibit hall and from future exhibit opportunities.
- ★ The PowerTest Tradeshow is designed as a showcase of information, ideas, products, and services for members and conference attendees. All companies are invited to exhibit under the following provisions:
 - Vendors may exhibit products, technical information, and services related to the electrical testing industry.
 - Only NETA Accredited Companies may promote electrical testing services in their exhibit booths.
 - Booth personnel shall conduct their business in a courteous, professional, and ethical manner.
- ★ **Space Assignment:** Sponsoring companies receive first choice in booth space. All other applications will be processed in the order which they are received. The full dollar amount of the space rental is due upon the submittal of the application.
- ★ **Cancellation Policy:** All booth space must be paid in full and in advance of the show. Any cancellations must be submitted to the NETA office in writing. Exhibiting company remains liable for payment if cancellation is received after December 31, 2011.

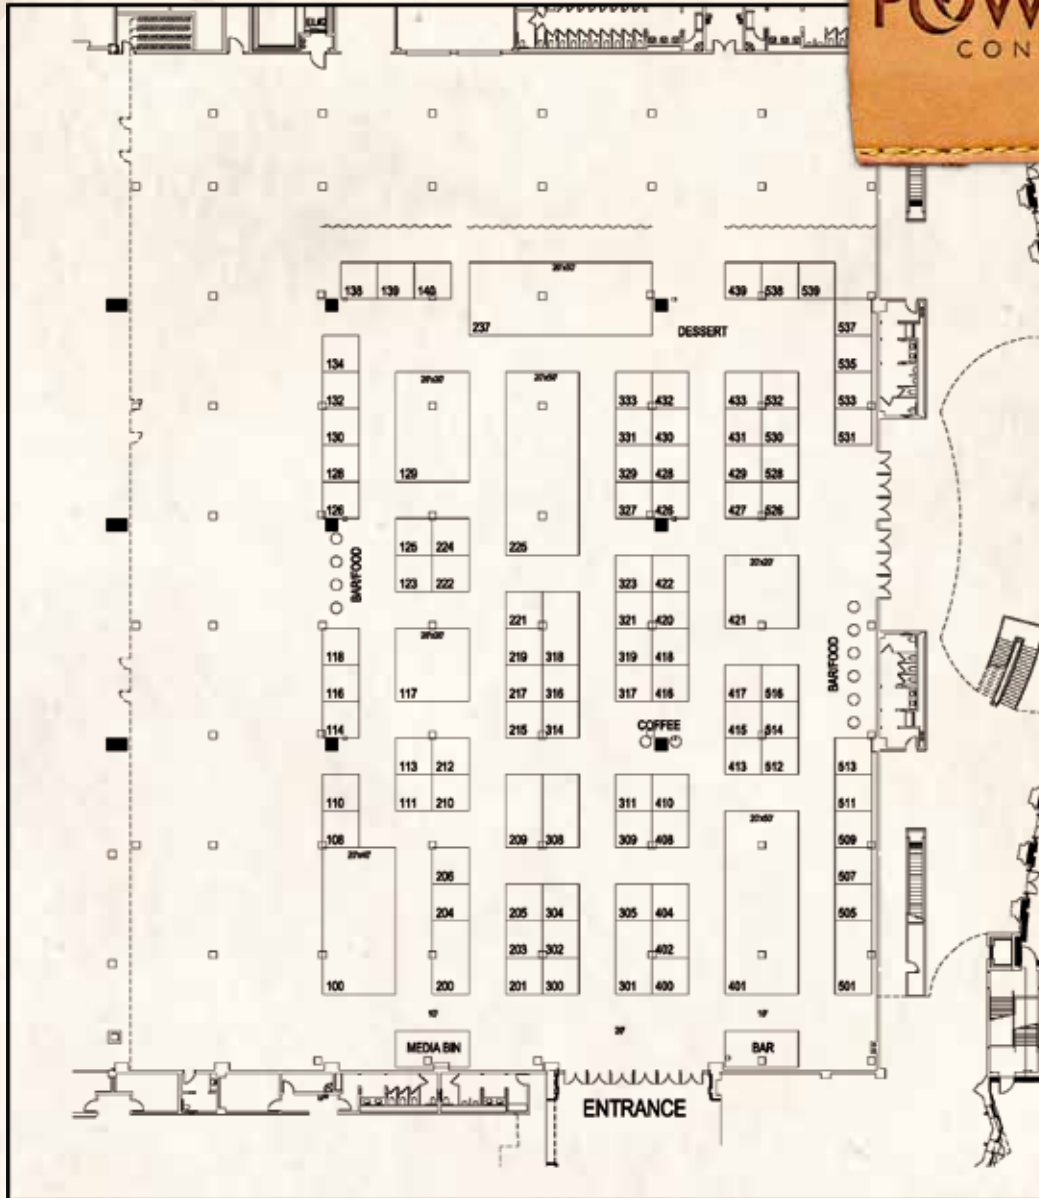

Drayage/Shipping Information

NETA will provide booth space only. All other items such as tables, chairs, electricity, etc., will be ordered through Alliance Exposition. A packet will be supplied to you in early December. Exhibitors are also responsible for purchasing booth carpet.

Shipping: All items shipped to the show must be sent through Alliance Exposition or another freight company of your choice. If another freight company is used you are responsible for securing time at the loading dock of the Fort Worth Convention Center and for any costs associated with doing so. Items are not allowed to be shipped directly to the hotel or the convention center. If they are, they will be forwarded to Alliance and you will be responsible for any expense incurred.

Once again, the hotel will reject any large shipment of boxes coming to the loading docks or package room prior to exhibitor move in. All shipments will be received on move-in.
